You're invited to follow in Harry Potter's footsteps as you walk through the streets of Diagon Alley where you'll find many of the wizarding world's most famous establishments.

## **CHEWONKI** Chewonki Scales and Tales Tuesday, February 19th 10-11am

Using live, non-releasable reptiles, this program will compare the species and discuss their adaptations. Many people conjure up images of slimy skin and bloodthirsty monsters when they hear the word "reptile." This hands-on program works to dispel some of those fears by allowing library patrons to examine snakeskins, turtle shells, skeletons, and other unique reptilian artifacts. All ages welcome.

## **Pete the Cat Day** Wednesday, February 20th 10-11:30am

Let's celebrate all things "Pete the Cat"!!! Make a Pete necklace, Pete puppet, and a Pete headband. Play a game of Groovy Button Twister and Bean Bag Toss. Geared toward ages 3-9.

## **Ice Castles** Thursday, February 21st 6-6:45pm

Dress warmly for our winter program on the patio. Hot cocoa will be served as we make ice castles with containers of colored frozen water. They will be beautiful!! You can help with this program by bringing in a container of colored frozen water that you have made at home. Any shape and size will help with our castle designs. All ages welcome.
