Legislative Office Hours- Gorham Delegation Saturday, March 9th 10am-12pm

Meet and talk with the elected officials representing Gorham in the Maine Legislature, including Senator Linda Sanborn, Representative Andrew McLean and Representative Mo Terry. This is a great opportunity to meet and talk with your elected representatives, and share any questions or concerns you may have.

Folded Flyers Wednesday, March 13th 1:30-2:30pm

Charter a flight to the library on March 13th for some aerodynamic fun. We'll be folding origami paper airplanes and testing their flights. Try your hand at a simple Dart, or challenge yourself with a more complicated flying machine. Learn a few basic folds and create your own design. All supplies provided.

Are you looking for a way to support your library? Our non-profit organization, the Friends of Baxter Memorial Library is currently looking for more members. Thanks in large part to membership dues, this volunteer group helps the library become an even stronger cultural and educational resource for all Gorham citizens, from pre-schoolers to retirees. Right now, we have a total of about 75 members, but we need more. Please think about joining us in supporting this vital center of community learning. If you want more information, please don't hesitate to call 222-1190 or stop in and grab a brochure.
