

September Greetings from Baxter Memorial Library!

Family Place Libraries

If you haven't been in the library lately, you should stop by for a visit. We were recently designated as a national Family Place Library! This means that the library demonstrates a strong commitment to being a community center for early literacy and learning, early childhood development, parent education, and community-based information. To achieve these goals the library has reorganized the Youth Services floor, improved the dramatic play area, planned fun "Play-to-Learn" Workshops, and will be starting an evening Family Discovery Time for all ages. We look forward to seeing your smiling faces!

Discovery Times will resume September 3, 2019

All of our Discovery times are designed to introduce children to books and libraries in a positive and enjoyable way. We use stories, music, and movement to present and enhance early literacy skills and foster a love of reading. We offer 3 different age-specific programs and one all-ages program each week.

- Preschool Discovery Time – Tuesdays at 9:30am**
(3-5 yrs)
- Baby Discovery Time – Wednesdays at 9:30am**
(Birth to 18 months)
- Family Discovery Time – Wednesdays at 6:00pm**
(All ages)
- Toddler Discovery Time – Thursdays at 9:30am**
(18-36 months)

*Discovery Times are not held during regular Gorham school vacations and holidays or when they are closed due to inclement weather.
