

February Greetings from Baxter Memorial Library

**Don't forget...The Harry Potter Night
Triwizard Tournament
Thursday, February 6th 6-7:30pm**

Grab your wand and test your courage at our Triwizard Tournament, as we celebrate our 4th annual Harry Potter Night!

Wizards robes and outfits are encouraged! Magical refreshments will be served. This is an all ages event.

**Ball Point Pen Art with
Kevin Hawkes
Thursday, February 20th
11am**

How to render almost anything using a ball point pen! In this class, professional illustrator, Kevin Hawkes, will demonstrate how to render virtually anything using a simple ball point pen. From Dragons, to realistic portraits, to still life subjects, Mr. Hawkes will show you a simple technique that will allow you to bring your drawings into fully rendered finished form.

No need to bring anything other than a small sketchbook if you have one. The library will have plenty of photo copy paper if you need paper. Also provided is a pencil, eraser, and a medium black ball point pen (gel pens, felt tips or sharpies won't work with this technique).

Ages 11-18. Registration required. Please call or stop by the library to sign up 222-1190.

**Chewonki Presents Fur, Feathers, and Feet
Tuesday, February 19th 10am**

Participants handle and examine beak, foot, and feather specimens to get a closer look at each animal's special adaptations. Chewonki's Mallard duck and a live, non-releasable mammal bring these ideas to life! This is an all ages event.

Due to overwhelming interest we will be offering tickets to reserve your spot at this event. Tickets will be available to the public starting Saturday Feb 15th and will be handed out on a first-come, first-served basis, so stop in and pick up tickets before they are gone!
